

## **IMPORTANT MESSAGE TO OUR PATIENTS:**

Wilson Health is excited to announce its transition to MyChart powered by Epic on **May 3, 2025**. MyChart is brought to you through our affiliation with The Ohio State University Wexner Medical Center.

Beginning April 21, 2025 patients will no longer be able to message their provider, schedule appointments and/or request medication refills through Meditech's MHealth Patient Portal. Please call your provider's office.

On May 3<sup>rd</sup>, 2025, Wilson Health will transition to EPIC for its Electronic Medical Records system. At this same time, your MediTech MHealth Patient Portal health information will no longer be updated or supported by Wilson Health. All of your Wilson Health and Wilson Health Medical Group patient health information going forward will be safely and securely managed in Epic and accessible to you via [MyChart](#).

However, you may continue to view and/or [download](#) and print off any health information housed in the Meditech MHealth Patient Portal prior to May 3<sup>rd</sup> or contact our Medical Records Dept. at [\(937\) 498-5310](tel:937-498-5310) to request copies of your medical records.
