

Dr. Stephanie Dunkle-Blatter

General Surgeon

Laparoscopic Hernia Repair

Dr. Stephanie Dunkle-Blatter

Stephanie Dunkle-Blatter, MD, is a board-certified general surgeon with Shelby County Surgical Associates. She specializes in minimally invasive surgery, hernia repair and advanced endoscopy.

For over 12 years, Dr. Dunkle-Blatter has been performing a range of general surgery including bowel resections, gallbladder removal, inguinal and ventral hernia repair, treatment of hemorrhoids, placement of feeding tubes, removal of skin lesions and tumors, and appendectomy to name a few.

From West Lafayette, Indiana, Dr. D-B went to the University of Georgia in Athens, GA on a full athletic scholarship where she played volleyball and studied microbiology. She then joined Teach for America and taught seventh grade in North Carolina before deciding to go to medical school.

Dr. Dunkle-Blatter earned her medical degree at the University of Kentucky, Lexington, KY and stayed in Lexington at the University of Kentucky for General Surgery residency training prior to her minimally invasive surgery fellowship.
